OWNERS OF SCHUYLKILL COUNTY

EFFECTIVE JANUARY 24, 2013, BY LAW:

The **PA Covered Devices Recycling Act of 2010 (CDRA)**

dictates that all electronic devices defined in the act be banned from landfill disposal and must be recycled. Consumers are not to dispose of covered devices, such as computers, laptops, monitors and televisions, with their trash. This means that trash haulers will no longer be able to take covered devices unless the municipality has a curbside electronics collection program that ultimately send the devices to an electronics recycler.
